JB`S... WHAT?

PRESS KIT

It's not easy to develop yourself further and still remain to your original values. But that's exactly what JB'S FIRST has achieved in their 20+ years of band history. "LITTLE WORLD" is the title of their latest album and lets the listener participate in the innermost of the Munich formation. In eleven songs the band deals with love, pain, happiness, fear, anger and thrilling adventures. This becomes audible through touching tones and profound lyrics, which in each song contain a message to the audience. The third album of JB'S FIRST is the proof that the band has grown up.

The sound is more than ever influenced by rock, pop and the certain touch of funk that makes JB'S FIRST. The album combines calm songs for dreaming and impulsive songs for the dance floor. Above all, the fun of the music and the desire to pass this feeling to the listener is the main focus. "LITTLE WORLD" is a journey into the core of JB'S FIRST: varied, emotional, colorful and loaded with energy.

JB'S FIRST was founded in 2003 by Kathi Bestler, Patric Eckstein and Sarah Dorsel (retired).

The current line-up consists of Kathi Bestler (vocals), Patric Eckstein (quitar), Benny Kottmair (keys), Andi Stocker (bass) and Sascha Ibel (drums).

Es ist nicht leicht, sich weiterzuentwickeln und trotzdem seinen ursprünglichen Werten treu zu bleiben. Genau das ist j

B' FIRST aber mit ihrem neuen d

Bum gelungen. LitTLE WQRLD* heißt es und l

Bast den Zuhörer am Innersten der Münchner Formation teillahaen. In elf Songs verarbeitet die Band Liebe. Schmerz, Glück, Angst, Wut, persönliche Erlebnisse und Erfahrungen. Hörbar wird das durch berührende Tone und telegründige Texte. die in jedem Song eine Nachricht an das Publikum bereithalten. Das dritte Album von jB' S FIRST ist der Beleg dafür, dass die Band erwaichsen geworden ist.
